Highlights

Ground coffee and Easy Serving

With this coffee machine you can choose between ground coffee and Easy Serving Espresso (E.S.E.) pads.

Clear led display

Clear led display

Flexi Pannarello to froth milk

Flexi Pannarello to froth milk as you like

Frontal water tank extraction

Double walled crema filter

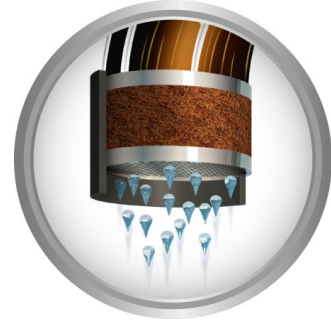

Double walled pressurized crema filter

Pre heating cycle

Pre heating cycle for higher temperature in cup

Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

Descaler Warning

Dedicated led to advice the end user that the machine needs to be descaled
